## It's Financial Literacy Month in Canada and we are celebrating in a big way!

**Saint John NB**, Financial Literacy means “having the knowledge, skills and confidence to make responsible financial decisions.” (Task Force on Financial Literacy)

Credit Counselling Services of Atlantic Canada (CCSAC) is pleased to announce that the Minister of Education and Early Childhood Development will speak at our Financial Literacy Event – Donate to Educate on Thursday, November 3, at the Lily Lake Pavilion in Saint John from 6-9pm. “We are celebrating in a big way to highlight financial literacy month, we have our Grade 4 read and community presentations throughout Atlantic Canada and to cap it off our dinner in Saint John,” says John Eisner, President of CCSAC.

Credit Counselling Services of Atlantic Canada is a non-profit, charitable organization that works with consumers to manage debt and to better understand finances. Our mission is to support, educate, and empower. While the majority of our counselling clientele consists of consumers dealing with debt, our education component proactively educates consumers on the essentials of budgeting and understanding personal finances. <http://www.solveyourdebts.com/scholarships>.
