

# FREE Presentation

Learn about the **cost of credit**, a step by step approach to tailoring your own **spending plan**, the difference between needs and wants (not so easy sometimes), get priceless tips on how to save on groceries, teach your kids about the value of managing their money, find out exactly what a **credit report** is and why it's important, how everyday consumers can build an **emergency fund** and much more.

**All are welcome  
No registration is required for the 90 minute presentation.**
